

IMPROVING PATIENT-PROVIDER ENGAGEMENT TO DRIVE MEDICATION ADHERENCE

EHEALTH INITIATIVE

DECEMBER 2017

OUR STORY

AND ONLY OUR STORY

2001

Pharmacy associations NACDS and NCPA formed SureScript Systems to replace paper prescriptions with more accurate e-prescribing.

The three largest PBMs formed RxHub

Caremark, Express Scripts and Medco Health came together to create a link between payers and prescribers

2008

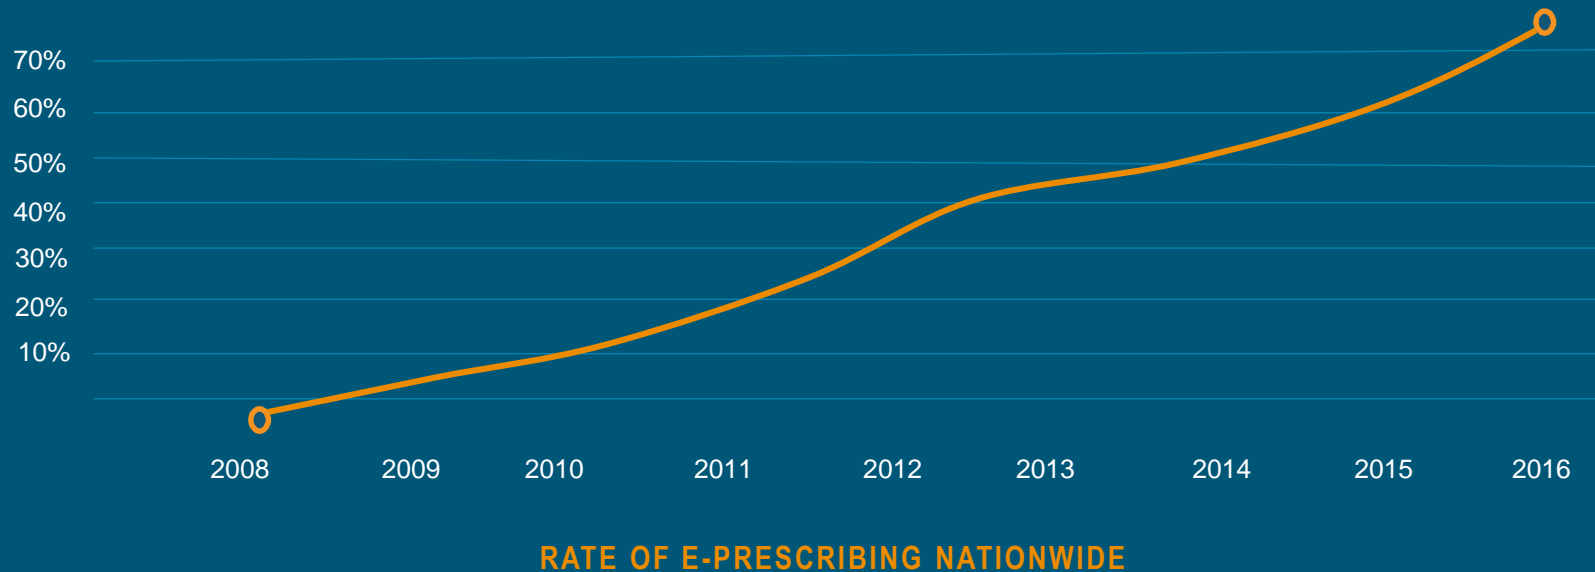

These competing organizations formed a historical alliance as Surescripts to build a national network to connect clinicians, EHRs, hospitals, PBMs, pharmacies and technology vendors.

TODAY

Surescripts leads the movement to turn data into actionable patient intelligence. Surescripts is credited as being the pioneer of the field.

E-PRESCRIBING ADOPTION HAS BECOME MAINSTREAM WITH MORE THAN 73% OF PRESCRIPTIONS GOING ELECTRONIC

1.6 billion (4.4 million per day) electronic prescriptions in 2016

DESPITE THESE ADVANCES, PATIENTS STILL FACE CHALLENGES IN GETTING ON THE RIGHT PRESCRIPTION...

**Old, inaccurate
